The grand lodge of colored Masons, headed by the Rockville band, arrived at the church about 439 o'clock, at which time there were about 600 people assembled there. The exercises began by a prayer by Rev, Dr. J. S. Cowles, the pastor, which was followed by a hymn by the choir. The dedication service was conducted by Grand Master Watts, who also made the oration. The following articles were placed in the stone: A patient medicine almanac for 1884; journal of the conference for 1884, the Name of the Refullation and Post. A collection was taken up, and the name of every person contributing 51 or more was placed on the list of members. The exercises closed by an invocation by the pastor and singling of a hymn by the choir.

ABOUT ANGELS' CLOTHES. 

English visitors to this country are always enthusiastic over the beauty of the white dresses as worn by ladies here in summer. England's damp and sooty atmosphere forbid such costumes, so we can understand why Oscar Wilde compared our ladies to

## EXTRAORDINARY

FOR FIVE DAYS.

Thursday, August 21, Friday, August 22.

We will gladly sell anything we have on our shelves, in any department of our house, but we prefer to sell this week all our REMNANTS, SHORT LENGTHS, ODD SIZES, &c., &c., and for this reason have cleared our counters of every piece of regular goods and are making a

## Five Days' Extraordinary Remnant Sale

Before Taking Stock next Friday, the 22d instant. We call the sale EX-TRAORDINARY because we are willing to make more than ordinary reductions on many lines of goods, in preference to carrying them to another season. Again, we do not like to take stock of Remnants, Odd Sizes, &c., &c., and have therefore made larger reductions than are usual or are necessary ordinarily, with a view of making our Stock-Taking Week memorable to us and our customers and mutually profitable to both. For instance, in our

#### White Goods Department

We are cutting many pieces every day, and ordinarily any length will sell at the regular price, but this week we put in every length less than full pieces and make a reduction in price.

#### In Our Dress Goods Department

Every length in stock under 10 yards has been placed among the Remnants, and the price has been "cut" liberally. The same policy will be carried out in every Department of our house. We shall offer inducements in our "Remnant" prices which will be MUTUALLY PROFITABLE to us and our customers. Our business is conducted on the principle that every sale must of necessity be either mutually advantageous to both parties or disadvantageous to one party to the transaction. In pursuance of this policy we have always offered to exchange for other goods, or even refund the price paid, any article purchased from us, even a REMNANT, if for any reason the customer cannot make the expected use of it, providing always it is returned in good condition, thus precluding the possibility of any customer being dissatisfied with any purchase made from us. Therefore you can run no risk in giving careful examination to each one of our twenty departments during our EXTRAORDINARY REMNANT SALE, continuing five days: Monday, August 18; Tuesday, August 19; Wednesday, August 20; Thursday, August 21, and Friday, August 22.
